DECLARATIONS AND POWER OF ATTORNEY

I, TOSHIKATSU KANEYAMA, declare:

I am a citizen of Japan and a resident of Tokyo, Japan, whose post office address is 1-1, Ogawahigashi 2-chome, Akiruno, Tokyo 197-0822, Japan.

I have reviewed and understand the contents of the specification, including the claims of this application Serial No. 10/056,218, filed January 24, 2002 entitled "TRANSMISSION ELECTRON MICROSCOPE EQUIPPED WITH ENERGY FILTER".

That this application in part discloses and claims subject matter disclosed in earlier filed pending application, Serial No. 09/773,792, filed February 1, 2001.

That, as to the subject matter of this application which is common to said earlier application, I do not know and do not believe that the same was ever known or used in the United States before my invention thereof, or patented or described in any printed publication in any country before my invention thereof or more than one year prior to said earlier application, or in public use or on sale in the United States more than one year prior to said earlier application.

That said common subject matter has not been patented or made the subject of an inventor's certificate before the date of said earlier application in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to said earlier application.

That the first filed application for patent or inventor's certificate on said invention set forth in said earlier application filed by me or my legal representatives or assigns in any country foreign to the United States is: Japanese Patent Application No. 2000-025354, filed February 2, 2000.

As to the subject matter of this application which is not common to said earlier application, I verily believe myself to be the original, and first inventor.

As to the subject matter of this application which is not common to said earlier application, I do not know and do not believe that the same was ever known or used in the United States before my invention thereof; or patented or described in any printed publication in any country before my invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States more than one year prior to the date of this application.

That said subject matter of this application which is not common to said earlier application has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to the date of this application.

That the first filed application for patent or inventor's certificate on said invention first set forth in this application filed by me or my representatives or assigns in any country foreign to the United States is: Japanese Application No. 2001-015537, filed January 24, 2001.

I acknowledge my duty to disclose information of which I am aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a) including matters as occurred between the filing date of my said earlier application and the filing date of this application.

I hereby claim priority under 35 U.S.C. § 119 to Japanese patent applications Nos. 2000-025354 and 2001-015537, filed February 2, 2000 and January 24, 2001, respectively. I also claim priority under 35 U.S.C. § 120 to U.S. Patent Application Serial No. 09/773,792, filed February 1, 2001.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

I hereby appoint David C. Hanson, Registration No. 23,024; Frederick B. Ziesenheim, Registration No. 19,438; William H. Logsdon, Registration No. 22,132; Russell D. Orkin, Registration No. 25,363; Richard L. Byrne, Registration No. 28,498; Kent E. Baldauf, Registration No. 25,826; Barbara E. Johnson, Registration No. 31,198; Paul M.
